Sorry Kate – running upstream this week. I have it attached above to too but here is the one that I booked him at thinking it was the one you mentioned. Let me know if this is the wrong Hyatt.

I believe it's around 7 Denver time. Don has the flight schedule and can provide the exact time. Would love to have dinner or breakfast, if dinner is too late.

I heard from API this morning that next week's Pavillion meeting is cancelled. There's no new

date at this point. We'll keep you posted on developments.
